Bowling Code of Ethics

Sportsmanship in bowling, as in every other sport, has its own code of ethics. Respect for these "unwritten laws" gives consideration to the other fellow and makes for fuller enjoyment of your own game. Here are some of the basic rules:

1. Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.
2. Remember, the player to your right has the right of way. There is no need to wait for bowlers on other lanes.
3. Get set for your shot, but don't waste time and everybody else's by useless posing or waiting until everybody else in the establishment is off the approaches.
4. Stay on your own approach, and after each delivery move back from the foul line. This gives the player on the next lane a chance to bowl without interference from you.
5. When the match is over leave the playing area promptly. Scores can be tallied away from the lanes and the next group of bowlers can start their games.
6. Respect the equipment. Getting the ball out on the alley is good bowling, but "lofting" hurts your game and damages the alley beds.
7. Bench talk is all right to rattle the opposition, but confine it to the bench. When a player is in position to bowl, give him the courtesy of making his shot without any interference.
8. The runways may not be exactly to your liking, but DON'T use chalk, resin or talcum powder to condition them. The other fellow may like them just as they are.
9. Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over.

Our President's Message

To the Bowlers of Petaluma:

It has been my privilege to serve as president of the PETALUMA BOWLING ASSOCIATION for the past six seasons.

In previous years, there has been no media with which I could contact every member of the Association. Now, by means of our first year book, I would like to express my personal gratitude, and that of the Executive Directors, for the faith you have placed in us, and for the splendid cooperation we have received in our various activities.

Our City Tournament has been the most successful in the county. Our various other tournaments have all been successful and our Awards Banquet has no peer anywhere.

Also a special thanks to our Executive Secretary, Al Liparini, without whose personal effort and hard work this book would not have become a reality.

With the caliber of personnel I have as officers and committee heads, and the type of support and cooperation received from you, the bowlers, my job is an easy one.

Thanks again, and good bowling!

Sincerely,

BILL BOEHM

Averages recorded for all bowlers are for 21 games or more. These averages, as reported by the League Secretaries, are for the 1959-1960 season.

LEAGUE SECRETARIES:

I wish your Leagues a successful season and hope that your troubles are few. Following are some of the American Bowling Congress and Petaluma Association rules.

It is your duty to ascertain if each new bowler entering your League has an ABC card and belongs to the Petaluma Bowling Association.

Bowlers not having a membership card must pay the membership fee prior to taking part in League play. NO grace period is permitted. He must pay or not be permitted to bowl. Dues are \$1.50 for Winter League, and \$1.00 if member of another Association; 40 cents Summer League; 20 cents if member of another Association.

Average sheet as of February 5, 1961, listed ALPHABETICALLY for use in City Tournament, plus a duplicate copy of your League's standing sheet, must be sent in immediately after this date.

FINAL AVERAGE SHEETS with names listed alphabetically and showing games bowled, total pins and averages. For Mixed Leagues, men and women must be listed separately. These sheets must be in not later than 15 days after close of League play.

Duplicate copy of current standing sheet must remain posted.

Please note date of City Tournament and make provisions for it in your schedule, as there will be a cessation of League bowling for those Leagues with male members for the one week of the City Tournament.

All ABC rules and League rules must be enforced. No individuals or teams can agree to dispense with any of the rules.

Please check with Association or League officers for rules or play information, and NOT with the proprietor of the lanes. His advice is not official.

THE FOLLOWING ARE CONFORMITY RULES WHICH WE WOULD LIKE TO SEE THE LEAGUES ADOPT WHERE THEY FIT IN. They are NOT binding rules and are not to be misconstrued AS SUCH.

Previous to start of League schedule, each League should adopt rules to govern their Leagues insofar as Absentees, Tardy Players, Substitutes, pre-bowled and postponed games, prize eligibility rule, play-off of tie games, and other rules to suit your needs.

At the beginning of the League schedule and for three weeks thereafter use the BLUE BOOK average. If no BLUE BOOK average use the highest Summer League average (21 games or more). This is fair to all members of our Association, as it would eliminate one member of a League using his low average while another member has to use his highest.

BLIND SCORE for absentees—either full average (most Scratch Leagues), or 10 pin drop (most popular for Handicap Leagues).

Give a set of rules to each member of your League. See printing cost schedule on bottom of page 15.

Send copy of rules to Association Secretary.

Please take time to pick your League Representative, who will attend the Association meetings as a member of the Board of Directors. The Board of Directors determines the actions of our Association and directs it. Thank you.

Message From the President

Petaluma Woman's Bowling Association

First of all, I want to thank you for having confidence in me and allowing me to be president of your Petaluma Bowling Association.

Your Bowling Association is for the betterment of bowling in this city and all of you bowlers are a part. In your Association you have four line officers who want to help you in any problems you have.

Our membership is strong and increasing, and your united efforts will continue to give us the progress and development for which we shall always strive.

To our sponsors we extend our deepest appreciation for the support which they have shown. Let us each strive to make them conscious of our thankfulness for their efforts.

The forthcoming City Tournament portends to be the largest in the history of this Association. May I encourage your support to make this City Tournament a great success?

In closing, I would like to ask that every member make herself a committee of one to see that her league elects a competent roster of officers. May I suggest that you elect women that will sincerely perform their duties and make themselves familiar with the functioning of the PETALUMA WOMAN'S BOWLING ASSOCIATION?

—MILDRED M. BUTTERFIELD

LEAGUE SECRETARIES:

Please remember to read your book of rules for WIBC Sanctioned Leagues.

All women bowlers must have WIBC cards or pay the membership fee prior to taking part in League play. No grace period is permitted. Dues this year are \$1.75. The extra 25 cents is an assessment voted for by the members of the Association to help defray the expense for hospitalized members. All members are required to pay.

Duplicate copy of current standing sheet must remain posted.

Final average sheets with names of bowlers and showing games bowled, total pins and averages, should be sent to the Association Secretary at close of League play.

Thank you.
